Jonathan Stein is pleased to announce that Jonathan and the Gabrielino-Tongva Tribal Council are featured on Southern California's most-watched public television channel, KCET. KCET covers an approximately 16-million person market.

The award-winning "*Life & Times*" series aired a 7.5-minute new report on the Tribe's proposed casino for Garden Grove, adjacent to Disneyland. Jonathan, the Tribal Council members, Garden Grove City Manager Matt Fertal, and Garden Grove elected officials explained the dynamics of the proposed development, as well as the history of the Tribe.

Jonathan wishes to thank KCET, "*Life & Times*" producer Val Zavala, and reporter Roger Cooper for their unbiased coverage, high production values and smart editing. The KCET video and reporter's note are linked on Jonathan's website at [link to video] ###
