Jonathan Stein and Law Offices of Jonathan Stein are pleased to announce that Jonathan has been featured in a front-page article in [The Orange County Register](#). The 100-year-old paper Daily enjoys a daily circulation over 300,000.

The front-page article and picture covered approximately half of the front page. It focused on Jonathan's role as developer for an Indian Casino proposed in the City of Garden Grove, just down the street from Disneyland. The article continued onto two inside pages.

Jonathan wishes to thank The Orange County Register for its accuracy, and for not listening to him when he refused at first to be featured. The article is reprinted on Jonathan's website at [link to press] ###
